COLLEGE ADMISSION AND RETENTION POLICIES

Admission Requirements

The basic requirements for eligibility for admission to Tawi-Tawi Regional Agricultural College collegiate program shall be graduation from senior high school program recognized by CHED.

In the selection of students, first consideration is given to the quality of records presented and good moral character. The school has the right to reject any applicant who does not meet the qualifications necessary for his/her success as a member of Tawi-Tawi Regional Agricultural College community.

All students are required to be enrolled prior to the opening of classes. An enrolled student is one who has paid the necessary tuition and other fees, has been issued an enrolment slip and has officially registered. A student shall be admitted fir enrolment upon presentation of the following:

1. For 138 (Report Card) for high school or senior high school graduates applying for college entrance for the first time.
2. Certificate of Transfer Credentials and Certificate of Good Moral Character from the last school attended for college students transferring from other schools.
3. Original and Recent Copy of Birth Certificate and a Xerox copy of it.

Special students are those who are not entitled to receive the credits for the work they desire to take because they do not satisfy the requirements for admission to the course or subjects. These students should sign an agreement in which they waive the right to receive and to demand credits for the work done.

- Admission. For incoming freshmen, the high school general average should be at least 80%.
- Transferee and those students who are going to shift to any Courses in this College program should have a general weighed average of at least 80% in the previous semester.
- Retention. Students enrolled in the aforementioned program should maintain a general weighed average of at least 80%. Those who will not reach the said grade criterion shall be advised to shift to other non-board courses at the Tawi-Tawi Regional Agricultural College.
